

● We are ready
to satisfy

Make a loving act for your customers! Thanks to GLS you can offer a 5-star service

Shoppers want an increasingly flexible and customizable delivery experience.

Fully meet your customers' needs by choosing **GLS's Out Of Home services!**

Our solutions adapt to the needs of individuals, who cannot always be available at the time of delivery, as well as business recipients, busy with day by day management and sometimes unreachable.

Out Of Home services are available in both Italy and

Europe for export and import shipments. Your customers will choose when and where they want delivery from the more than **7,000 pickup points throughout Italy** and **50,000 in Europe.**

GLS's network will make you and your customers feel really close!

Explore Shop Delivery and Flex Delivery services on our website and contact your sales representative to find out more about your benefits.
